

Basic Tissue Box Cover

Rectangular Style

Rectangular Tissue Box Cover

Rectangular Tissue Box Top
66 x 34 holes

Stitch pieces with desired colors
(feel free to modify the pattern).

Overcast the opening in the top with
desired color.

Attach each side to the top using whipstitch
or overcast stitch and desired colors.

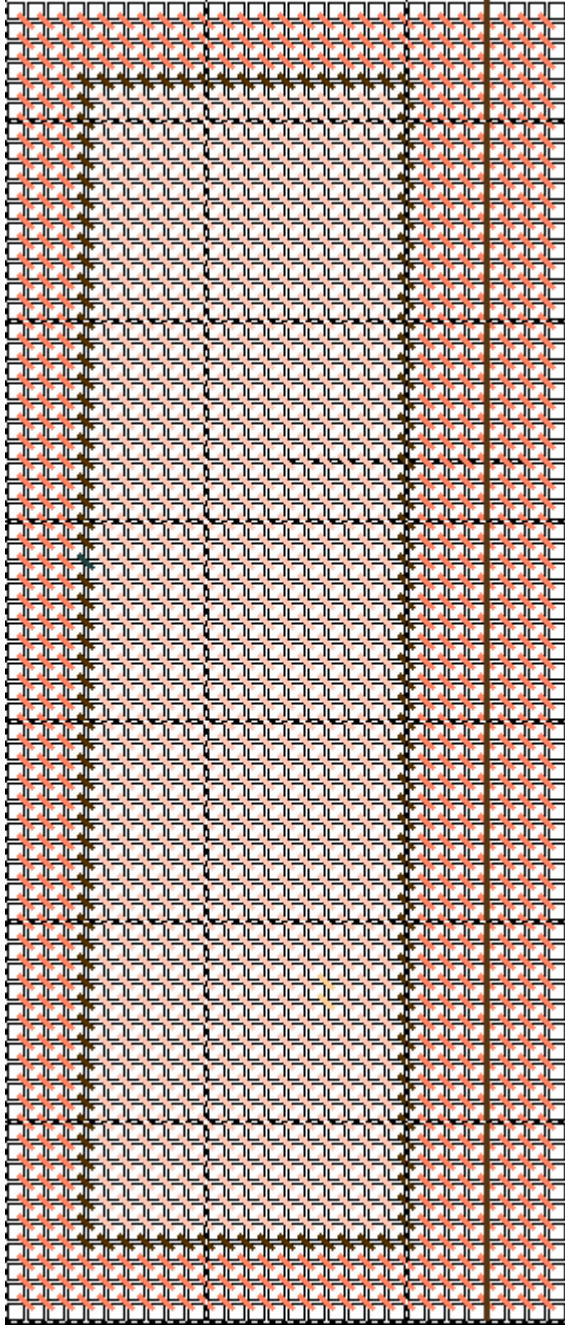

Overcast each side pair together. Then
overcast the bottom edges.

(Some crafters prefer to attach the 4 sides
together first, then attach the top.)
