

Mountain Harmony Creations
Alphabet – Designed by Jen

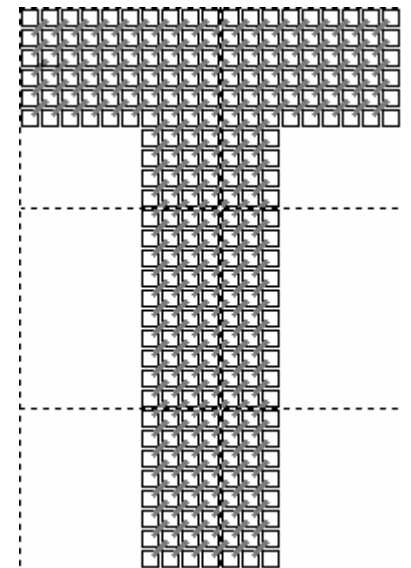

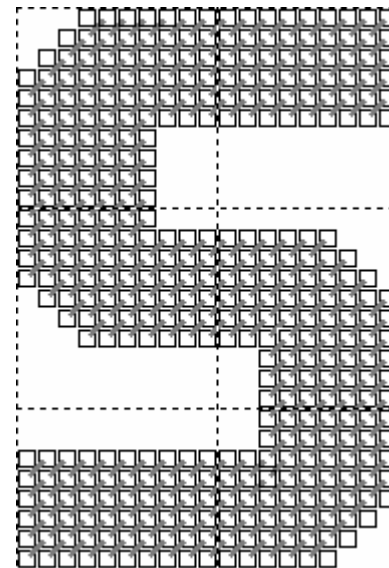

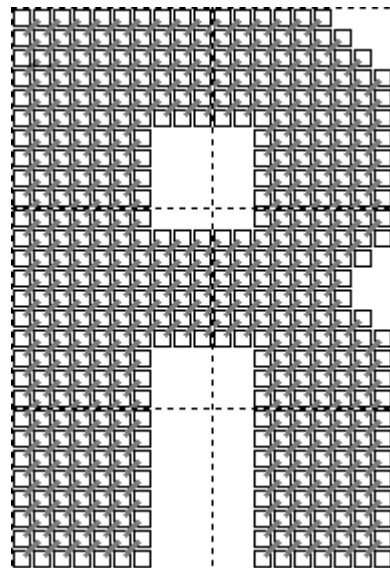

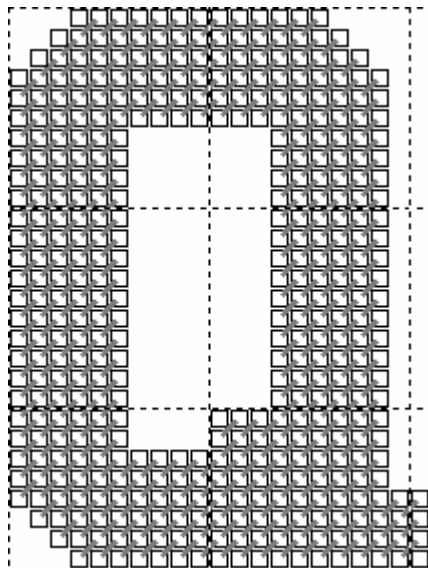

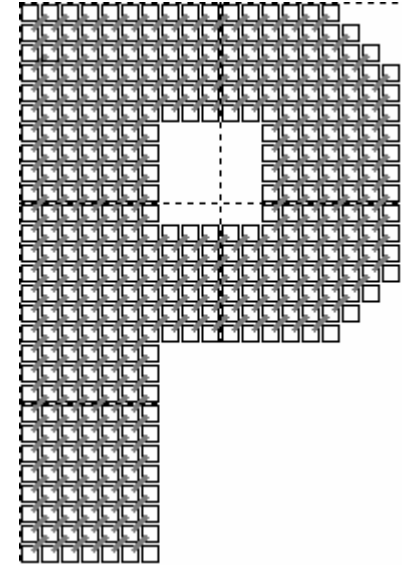

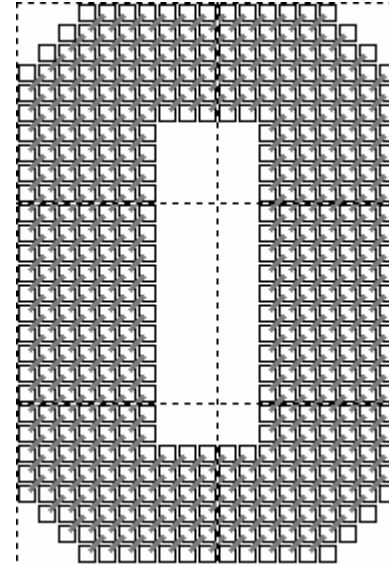

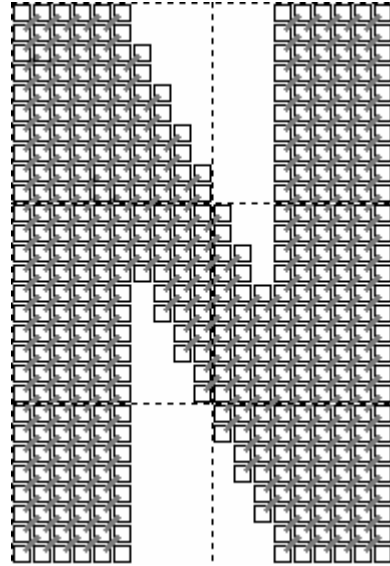

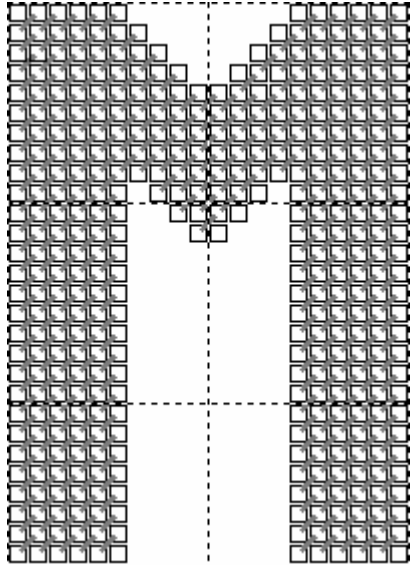

This document contains a set of alphabet patterns design by Jen V. She has graciously offered to share these patterns with fellow crafters who enjoy the Mountain Harmony Creations website. All letters are sized to 19 holes wide by 28 holes high with the exception of: I, M, Q and W. Please double check the hole/stitch counts before cutting your letter. Feel free to stitch your letters in any color combinations!
